What to expect:

Our stage school year is split into three ten-week terms. During the winter term we focus on technical skills and work towards a demonstration to parents. The spring and summer terms are used to rehearse for our summer show. We will supply short reports to you every other term so that you can keep up to date with your child's progress. As we will only have two terms this year, we will be doing smaller scale show at the end of the summer term. As well as all of this you can expect VIP masterclasses and fantastic performance opportunities! We are a school focussed on nurturing confidence, inspiring creativity and promoting positive self esteem. We believe every child has the ability to.....Shine!

Uniform:

- Uniform is not compulsory for the first term but by your second term your child should have a Shine on Stage t-shirt/ vest. We do not supply trousers. Any black tracksuit bottoms, leggings, jazz pants are acceptable. Jazz shoes are compulsory and are available from any dancewear specialist or online. Teens may wear Jazz Sneakers.

Fees:

- Fees are payable in full at time of booking.
- You have a two week grace period. If after two weeks your child does not want to continue, we will refund you the fees for the remaining weeks of term. Once the first two weeks have passed we will not refund any fees.
- We will invoice you at the end of each term for the following term's fees. If your child does not want to continue for the following term, you need to let us know in writing by the final week of term, after which time you will be liable to pay part or all of the fees as per our terms and conditions.
